Just as an FYI for those who are not aware, I am no longer maintaining this site. I'll be migrating the site over to a new domain, so please join us at <http://nodeka.gamers411.net/> . It's still very much a work in progress, however, with time and a little input from the community, we can make it a better alternative which can stand the test of time. If you have any suggestions for content you'd like to see on the new site please email me at rfedor at gamers411.net.
