

Update 5/20/2010: Cathiana's guidance / Reserved anger

Written by Serenity

Friday, 21 May 2010 03:32 -

- Cathiana's guidance has had its effects improved. Its command name is now "cathiana's guidance" rather than "cathianas guidance" (added the apostrophe).
- Reserved anger now operates on shorter duration and prevention times. In addition, it now restores endurance to the barbarian upon use.
