- It is no longer possible to "give all" or "give all." to a quest mob. (You can still use "give all.[item]" with quest mobs; for example, "give all.fragment jewel, stacy" still works.)
- New remort druid spell: welkin ken.
- Windcoil's progression has been altered. It no longer grants difficult to hit beyond 100%, but it now grants other benefits and will now scale beyond 300% (up to 600%). See the windcoil help file for more details.
- The warlock wrinkle now deals physical and magical damage.
