- New druid spell (all tiers): druid's haven.
- New druid skill (all tiers): earthen sending.
- Druids no longer have circle of bane. See the Sixth Sense developer's blog (nodeka.blogspot.com) for discussion.
- Tightened up Krijjkar's AI even more to be more accommodating of player error. (Proper item interaction with a quest mob is still the player's responsibility.)
- Increased the chance of invasion boss spawns very slightly.
- Increased the lateral defense of invasion bosses.
- Increased the lifetime of the temporary invasion earring rewards slightly.
